About me

[EDIT](#)

I've been in the industry from a young age starting at Italia Conti associates before going onto do my degree BA(hons) Theatre Arts and 2 year professional acting course at The Poor School. I also work as a commercial model.

As well as being an actor I am a trained Fitness instructor and Personal trainer. I teach a number of classes including Yoga, Pilates, Spinning, Body Pump and Aerobics.

I believe as an actor you should be looking after your mind and body and the Holistic connection between the two.

Additional Information

I also worked as a dancer and showgirl in Ibiza for 5 years performing for some of the worlds biggest clubs.
